

Product Range

A SEAMLESS COMBINATION OF SMART, ERGONOMIC HARDWARE
AND POWERFUL, EASY-TO-USE SOFTWARE THAT MAKE WORKING IN CAD FAST,
COMFORTABLE AND FUN

SpaceMouse® Enterprise

BUILT FOR TOP ENGINEERING PERFORMANCE

At the top, there is no room for second best. The world's premier firms demand the highest level of performance from their engineering teams. There are no excuses for missed opportunities; there are only results.

Professional 3D Navigation in CAD – Intuitively and precisely navigate digital models or views with the patented Six-Degrees-of-Freedom (6DoF) sensor.

QuickView Keys – One touch access to 32 Standard Views plus three Custom Views (exclusive to SpaceMouse Enterprise).

8 Keyboard Modifiers – The most comprehensive array of keyboard modifiers including Enter, Delete, Ctrl, Shift, Alt, Esc, Space and Tab.

12 Intelligent Function Keys – Quickly execute your favourite commands (automatically updates as you change application and environment.)

Colour LCD – Supports the Intelligent Function Keys by displaying the actual icons¹ from your application toolbar.

On-Screen Display – Provides a visual reminder of function key assignments on your computer screen.

Ergonomic design – Full size hand rest and large, keyboard like buttons.

Extended Support – Three years warranty + additional one year (requires product registration) and automatic priority technical support.

¹ See website or contact us for details of supported applications.

SpaceMouse® Pro

THE STANDARD FOR ENGINEERING

SpaceMouse Pro delivers advanced comfort and easy access to professional features for a simple, productive workflow.

Professional 3D Navigation in CAD – Intuitively and precisely navigate digital models or views with the patented Six-Degrees-of-Freedom (6DoF) sensor.

QuickView Keys – One touch access to 12 views.

4 Keyboard Modifiers – Conveniently positioned Ctrl, Shift, Alt and Esc keys.

4 Intelligent Function Keys – Quickly execute your favourite commands (automatically updates as you change application and environment).

On-Screen Display – Provides a visual reminder of function key assignments on your computer screen.

Ergonomic design – Full size hand rest and large, keyboard like buttons.

Wireless version also available:
SpaceMouse® Pro Wireless

SpaceMouse® Wireless

ADVANCED 3D NAVIGATION ANYWHERE

Whether you are reviewing 3D drawings in a meeting room or presenting 3D design ideas at your partner office, SpaceMouse Wireless offers you the functionality to navigate efficiently in CAD applications anywhere.

Professional 3D Navigation in CAD – Intuitively and precisely navigate digital models or views with the patented Six-Degrees-of-Freedom (6DoF) sensor.

Wireless Freedom – 3Dconnexion® 2.4GHz Wireless technology ensures a reliable, real-time connection to your 3D content.

One Month of Battery Life – SpaceMouse Wireless will operate for up to a month between charges.

Pure, functional design – Small footprint, elegant brushed steel base, two conveniently positioned buttons.

Tailor made carry case included – Durable, hard sided case for protection.

SpaceMouse® Compact

DESIGNED FOR ADVANCED 3D NAVIGATION

With its iconic, pure design the SpaceMouse Compact was developed for users who search for an intuitive, precise and effortless navigation within the 3D environment of their CAD applications.

Professional 3D Navigation in CAD – Intuitively and precisely navigate digital models or views with the patented Six-Degrees-of-Freedom (6DoF) sensor.

Pure, functional design – Small footprint, elegant brushed steel base, two conveniently positioned buttons.

CadMouse Product Line

CadMouse

THE MOUSE FOR CAD PROFESSIONALS

A full size wired mouse with a high precision laser sensor with 8.200 dpi and CAD specific features for a comfortable and efficient workflow.

Dedicated Middle Mouse Button – the days of clicking the mouse wheel are over thanks to the CadMouse's intelligent ergonomic design.

QuickZoom¹ – Effortlessly zoom in and out of your geometry with a single click of a thumb button. Fine-tune the zoom level by keeping the button pressed.

SmartScroll – Automatic click-to-click zooming in CAD applications and speedy scrolling in documents and browsers.

Gesture Button – Easy access up to 8 of your favorite commands (automatically updates as you change application and environment).

Optimized tactile feedback – optimally shaped PTFE feet provide a constant reaction force and vibration damping for a smooth mouse movement.

¹ See website or contact us for details of supported applications.

CadMouse Pad

PERFECT BALANCE BETWEEN PRECISION AND COMFORT

The optional CadMouse Pad supports an even smoother and more precise movement thanks to its high-quality micro-textured coating.

Available in 2 sizes – CadMouse Pad (350 x 250 mm) and CadMouse Pad Compact (250 x 250 mm)

CadMouse Wireless

THE WIRELESS MOUSE FOR CAD PROFESSIONALS

The compact wireless mouse with a high precision, energy saving optical sensor with 7.200 dpi and a battery life up to 2 months.

CadMouse Pad Compact

Dedicated Middle Mouse Button – the days of clicking the mouse wheel are over thanks to the CadMouse's intelligent ergonomic design.

Triple Connectivity – Connect with 3Dconnexion Universal Receiver, Bluetooth, or USB cable.

Rechargeable Li-Ion Battery – 2 months¹ battery life and recharging via USB cable while working.

QuickZoom² – Effortlessly zoom in and out of your geometry with a single click of a thumb button. Fine-tune the zoom level by keeping the button pressed.

SmartScroll – Automatic click-to-click zooming in CAD applications and speedy scrolling in documents and browsers.

Gesture Button – Easy access up to 8 of your favorite commands (automatically updates as you change application and environment).

Optimized tactile feedback – optimally shaped PTFE feet provide a constant reaction force and vibration damping for a smooth mouse movement.

Tailor made carry case included – Durable, hard sided case for protection.

SpaceMouse® Enterprise Kit

THE ULTIMATE CAD SOLUTION

The SpaceMouse Enterprise Kit offers engineering professionals all tools for an ergonomic and efficient two-handed workflow.

Included products:

- SpaceMouse Enterprise
- CadMouse
- CadMouse Pad
- Twin-port USB hub
- Micro-USB Cable

SpaceMouse® Wireless Kit

THE MOBILE CAD SOLUTION

The wireless engineering solution which meets the demands of mobile workers for a durable, flexible working equipment.

Included products:

- SpaceMouse Wireless with case
- CadMouse Wireless with case
- CadMouse Pad Compact
- 3Dconnexion Universal Receiver
- Micro-USB Cable
